Aim

To provide dementia care managers with **leadership** skills, practical strategies and tools for motivating team members to reach maximum performance and provide high quality dementia care.

Learning Outcomes

By the end of the course, you will be able to:

- ✓ **Review** your existing attitudes, knowledge and skills about dementia.
- ✓ **Identify** what high performance and quality care **looks, sounds and feels** like.
- ✓ **Explain** how an effective organisation vision, mission and values influence performance and boost motivation.
- ✓ **List** and demonstrate the 5 key values of leadership. (as outlined by the **Institute of Leadership**)

- ✔ **Explain** a range of management, leadership and models and how these can be applied in your workplace.
- ✔ **Recognise** the factors that can influence motivation and the symptoms of demotivation.

- ✔ **Assess** your personal communication and leadership styles and how they impact teams.
- ✔ **Evaluate** your skills and abilities to release potential and set a good example.

Benefits of Attending

- ✔ Feel confident and ready to put your learning into practice.
- ✔ Take away a practical toolkit with proven techniques and ideas you can use straight away.
- ✔ Create a Personal Action Plan to apply your learning in your workplace.

Training Style

This course is highly interactive and uses engaging, 'brain-friendly' methods such as exercises, quizzes, group discussions, skills practice, storytelling and practical tools to support real-world application.

You'll receive a **Welcome Pack** with pre-course activities, a **Learner Workbook** during training, an **E-Book** on this topic and a **Bonus Pack** afterwards with extra tools and follow-up activities to help you put learning into practice. (*email required)
